In the late 1970s we ventured across the country from northern California to western Pennsylvania and back through Washington and Oregon in Steven's boxy old 1965 Chevy van. Those were the days, my friends. That trip had a lasting effect and over time we realized we were destined to be full time RVers. In 1995 we sold our house and a Recreational Vehicle became our home. An RV has been our home every since.

The Rv Rating Book J. D. Gallant 2000-01-01 A complete reference book rating brands & models of motor homes, travel trailer coaches, travel trailer fifth wheels, fold-down trailers & slide-in campers. Models sorted by brand, type, length & use classification (vacation, RV trekking, snowbird, full-time) & are rated by highway safety, durability & value. The safety rating represents the average handling characteristics of the RV when traveling on the highway & its ability to respond to driver commands. Weight, size, payload & wheelbase are primary factors for motor homes. The durability rating is based upon the number of defects found in any particular brand. The value rating is based on the depreciation factor. Star ratings included. Easy-to-read information in chart-like fashion. Includes extensive glossary. 8-1/2 x 11 perfect bound. 480 pages, soft cover. RV Consumer Group is a nonprofit organization, not affiliated with the RV industry. Antifascisms David Ward 1996 This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, Antifascisms offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.

Growing Pains Gwynne Dyer 2018-03-08 *We are now living in a world where Brexit and Trump are daily realities. But how did this*

come about? And what does it mean for the future? Populism and ultra-nationalism brought about the rise of Hitler and Mussolini in the 1930s. Now, as Trump sits in the White House, Britain negotiates its way out of the EU, and countries across Europe see substantial gains in support for the extreme Right, award-winning journalist, author, and historian Gwynne Dyer asks how we got here, and where we go next. Dyer examines the global challenges facing us all today and explains how they have contributed to a world of inequality, poverty, and joblessness — conditions which he argues inevitably lead to the rise of populism. The greatest threat to social and political stability, he argues, lies in the rise of automation, which will continue to eliminate jobs, whether politicians admit that it is happening or not. To avoid a social and political catastrophe, we will have to find ways of putting real money into the pockets of those who have no work. But this is not a book without hope. Our capacity for overcoming the worst has been tested again and again throughout history, and we have always survived. To do so now, Dyer argues, we must embrace radical solutions to the real difficulties facing individuals, or find ourselves back in the 1930s with no way out.

Love Lifts the Heart Nancy Crapser Hunt 2009-12-15 This book, I have written, has helped to release all the tension I had with the obstacles I met along with the raising of this family. With the farm life and the large family, including a son with birth defects and Down's syndrome, life was strenuous. Years of struggling to keep the family well and happy. With the help of good doctors and surgeons, in Bobby's case, we have seen that it can be done. I was always trusting God in each incidence. It is my hope that this book will prove to be an inspiration to any and all who have the privilege of reading it.

Atlas of CT Angiography Gratian Dragoslav Miclaus 2014-06-26 This atlas presents normal and pathologic findings observed on CT angiography with 3D reconstruction in a diverse range of clinical applications, including the imaging of cerebral, carotid, thoracic, coronary, abdominal and peripheral vessels. The superb illustrations display the excellent anatomic detail obtained with CT angiography and depict the precise location of affected structures and lesion severity. Careful comparisons between normal imaging features and pathologic appearances will assist the reader in image interpretation and treatment planning and the described cases include some very rare pathologies. In addition, the technical principles of the modality are clearly explained and guidance provided on imaging protocols. This atlas will be of value both to those in training and to more experienced practitioners within not only radiology but also cardiovascular surgery, neurosurgery, cardiology and neurology.

The New Canadian Curling Club Mark Crawford 2019-10 A Chinese medical student, a Jamaican Tim Horton's manager, an Indian father of three, and a 17-year-old Syrian refugee walk into a curling club. It's Monday night at a small-town rink and it's the first-ever Learn to Curl class for new Canadians. Inspired by the local refugee resettlement program, community-minded Marlene organized this evening to welcome newcomers and "diversify the club". But when she slips on the ice and breaks her hip, the club's ice-maker--who also happens to be Marlene's ex-husband--Stuart MacPhail is forced to step in as head coach. Trouble is, Stuart has plenty of opinions about immigrants. What follows is the hilarious and inspiring story of a group of unlikely athletes who face off against local prejudice and become a true team. Both laugh-out-loud funny and quietly moving, The New Canadian Curling Club is a new Canadian comedy with a heart as big as Canada itself!
