Flesh Hugh Halter 2014-02-01 *Christ's Body, Human Flesh* If we're honest, no one really cares about theology unless it reveals a gut-level view of God's presence. According to pastor and ministry leader Hugh Halter, only the incarnational power of Jesus satisfies what we truly crave, and once we taste it, we're never the same. God understands how hard it is to be human, and the incarnation—God with us—enables us to be fully alive. With refreshing, raw candor, *Flesh* reveals the faith we all long to experience—one based on the power of Christ in the daily grind of work, home, school, and life. For anyone burned out, disenchanted, or seeking a fresh honest-to-God encounter, *Flesh* will invigorate your faith.

Mission Carlos F. Cardoza-Orlandi 2002-06-01 "Mission" has become, for many North American Christians, an ambiguous and often uncomfortable term. To many it brings to mind a past in which western culture was identified with the gospel in missionary practice and programs. Distressed with this history and uncertain about how to overcome it, many prefer to ignore the New Testament mandate that the church must be in mission if it is to be the church. Others swing the other way, declaring that everything the church does is mission, depriving the idea of mission of its power to define those specific actions of God which proclaim the gospel and build God's kingdom. "The church exists by missions, just as fire exists by burning." With these words of Emil Brunner, the author reminds us that to be the church is to be in mission. After describing the various "captivities of mission" which plague North American Christianity, the author argues for a robust and engaged practice of mission, beginning in congregations and extending to the broader community.

Cold-Case Christianity J. Warner Wallace 2013-01-01 Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Missional Renaissance Reggie McNeal 2009-02-03 Reggie McNeal's bestseller *The Present Future* is the definitive work on the "missional movement," i.e., the widespread movement among Protestant churches to be less inwardly focused and more oriented toward the culture and community around them. In that book he asked the tough questions that churches needed to entertain to begin to think about who they are and what they are doing; in *Missional Renaissance*, he shows them the three significant shifts in their thinking and behavior that they need to make that will allow leaders to chart a course toward being missional: (1) from an internal to an external focus, ending the church as exclusive social club model; (2) from running programs and ministries to developing people as its core activity; and (3) from professional leadership to leadership that is shared by everyone in the community. With in-depth discussions of the "what" and the "how" of transitioning to being a missional church, readers will be equipped to move into what McNeal sees as the most viable future for Christianity. For all those thousands of churches who are asking about what to do next after reading *The Present Future*, *Missional Renaissance* will provide the answer.

Ephesians Eric C. Redmond 2016-06-14 The *Knowing the Bible* series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. The letter to the Ephesians is a source of great encouragement, clearly proclaiming the mystery of the gospel and the supremacy of Jesus while applying that theology to practical living. Made alive in Christ, believers have received a bountiful inheritance and lavish blessings from God, fueling us for holy living. In this study, Eric Redmond opens our eyes to Paul's teaching about God's astonishing grace—grace that enables us to walk in love, holiness, and wisdom as we become imitators of Christ.

Incarnational Ministry Samuel Wells 2017-08-28 The bestselling writer and popular broadcaster Sam Wells reflects theologically and practically on the essence of discipleship and Christian ministry today. Beginning with a central understanding that ministry is essentially about 'being with' the other, whether that other is God, the church, friends or strangers in the world, he explores the theme of 'being with' in a number of important spiritual, pastoral and ethical contexts: • Being with God, alone and with others • Being with oneself • Being with the creation • Being with others in the everyday • Being with the troubled • Being with those who have lost a sense of self • Being with the dying This book, and its forthcoming companion, *Incarnational Mission*, develops ideas first explored in Sam Wells' highly acclaimed and seminal book, *A Nazareth Manifesto*.

Called Together Jonathan K. Dodson 2014-08-25 Everyone has a calling. We search for our calling in careers, hobbies, and even ministries, but Christians actually know their calling from birth. We are all called into God's community and onto his mission. There is no greater calling. Once we are in Christ, we are no longer orphans. Everyone has a place in the people of God. But how do you live out that calling? What does it look like to be God's new community? How can we fulfill our role in his mission? In *Called Together*, Jonathan Dodson and Brad Watson help us discover what it means to be a people made for community and mission. Through reflection on the foundational concepts of gospel, community, and mission, it will help you form healthy missional communities. The Church As Learning Community Norma Cook Everist 2010-10-01 Norma Cook Everist contends that it is meaningful to say that in ministries of administration, outreach, and pastoral care, the church is functioning as a learning community. Whenever and wherever Christians are being formed into the image of Jesus Christ through ministry, there Christian education is taking place. Christian education is the name we give to that process of formation. Building on this central insight, Everist has written a major new introduction to the tasks and practices of Christian education. Part 1 of the book focuses broadly on what it means to be the church in the world. Part 2 shows how being a learning community requires ongoing growth in faith throughout the

span of life. Part 3 shifts focus to the church as it moves into the community and world.

The Human Church Paul O. Bischoff 2018-05-29 The church doesn't need to be more spiritual. It needs to become more human. Since God decided becoming human was right, so must the church. Jesus' language was consistently understood by nonreligious people. Elitist in-house church language may never reach the growing number of Americans without a religious background who have given up on God. This book views the church as a unique people-group and the reader as an anthropologist. Employing basic ethnographic methods, the reader looks at the church again for the first time without a religious lens. Based upon the premise that all good theology emerges from good anthropology, the book first considers the rituals celebrated around the symbols of a manger, cross, bread, wine, and tomb. Such symbols then become the basis for theological interpretation. Dietrich Bonhoeffer is the reader's conversation partner to help make the theological journey from human community to church, manger to incarnation, cross to redemption, and tomb to resurrection. The church will flourish in the twenty-first century to the degree that it proclaims the Gospel using nonreligious language with a human accent.

AND Hugh Halter 2010 AND, by Hugh Halter and Matt Smay, asks and provides an answer for one of the most important questions for church leaders today: What is happening to the church in America? By all appearances, it looks like we are 'doing' church better than we ever have. In the past thirty years the number of mega-churches has increased from under 100 to over 7,500. In the past ten years the number of multi-site churches has increased from under 100 to over 2,000. By the numbers, these church movements enjoy the national platform, the national voice, and the resources to profoundly impact the Kingdom. In spite of the rapid growth of these prevailing church movements, why is the Western church still in massive decline? Numerous books have been written documenting the flight of members from the institutional church. This is not another book about how to do church better or how to just get people back into the pews. AND helps you---whether you are a mega-church, traditional, contemporary, or organic church leader---focus on the vast majority of unchurched Christians and non-believers who are not moving toward any form of church. You will learn how to value existing church forms---attracting people to a physical church and releasing people into hands-on ministry ... bringing together the very best of the attractional and missional models for church ministry. AND will equip you and all church leaders to value existing church forms while catalyzing a missional movement of incarnational people into the world for Jesus Christ. AND is the second book in the Exponential Series---a partnership between Exponential Network, Leadership Network, and Zondervan featuring several signature books each year to tell the reproducing church story, celebrate the diversity of models and approaches God is using to reproduce healthy congregations, and highlight the innovative practices of healthy reproducing churches.
