The Female Voice in Contemporary Brazilian Narrative Susan Canty Quinlan
1991 Contemporary Brazilian women writers are producing solid, well written
works that demonstrate concern for their female, traditional and Brazilian
heritage. By applying a syncretic methodology of feminist literary criticism
to three works published in 1980 and 1981, this study examines the
contemporary female voice in current Brazilian narrative. While differing in
theme and expression, "As Parceiras, O animal dos moteis" and "O jogo de
Ifa" are representative works of contemporary Brazilian women's fiction."
