***Guidelines and Procedures for Meeting the Specialized Physical Health Care Needs of Pupils* Winnie Bachmann 1990** This monograph presents the California State guidelines for providing physical health care services within the public school setting. Part I addresses administrative concerns. Included are sections on: education and chronic illness; professional roles; referral and evaluation; guidelines and procedures for transporting chronically ill pupils; staff development models; and school board policy and administrative guidelines. Part II summarizes specialized physical health care services procedures requiring a physician's authorization. These include: anaphylactic reaction--emergency care; catheterization; blood glucose testing for diabetes; glucagon injection (diabetes); hypoglycemia/keto acidosis (diabetes); dysreflexia (hyperreflexia)--emergency care; gastrostomy feeding method or pump; gastrostomy tube reinsertion; intravenous medication and infusion; silastic catheter; mechanical ventilator; nutrition screening; ostomy care; oxygen administration; respiratory assistance; and tracheostomy. Part III considers the prevention of infectious diseases in the form of three lessons which cover: (1) information about infectious diseases; (2) techniques for preventing the spread of infectious diseases; and (3) control of infectious diseases in the classroom setting including diapering and toileting. Part IV reviews routine care not requiring a physician's authorization such as use of braces, canes, casts, crutches, walkers, and wheelchairs. Four appendixes present additional information on program modifications, sample forms, pediatric consultants and nursing personnel, and selected laws and regulations. A glossary is also included. (DB)

***The ... Mental Measurements Yearbook* Oscar Krisen Buros 1985** Customers who place a standing order for the Tests in Print series or the Mental Measurements Yearbook series will receive a 10% discount on every volume. To place your standing order, please call 1-800-848-6224 (in the U.S.) or 919-966-7449 (outside the U.S.). The most widely acclaimed reference series in education and psychology, the Mental Measurements Yearbooks are designed to assist

professionals in selecting and using standardized tests. The series, initiated in 1938, provides factual information, critical reviews, and comprehensive bibliographic references on the construction, use, and validity of all tests published in English. The objectives of the Mental Measurements Yearbooks have remained essentially the same since the publication of the series. These objectives include provision to test users of: factual information on all known tests published as separates in the English-speaking countries of the world candidly critical test reviews written for the MMY series by qualified professional people representing a variety of viewpoints unique publication of each volume in the MMY series with new volumes supplementing rather than supplanting previous series volumes. Each yearbook is a unique publication, supplementing rather than supplanting the previous volumes. The ninth edition of this widely acclaimed reference work is the most comprehensive yearbook to date. It includes 1,409 commercially published tests (19% more than in The Eighth Mental Measurements Yearbook), detailed descriptive information about each test, 1,266 original reviews (41% more than in The Eighth Mental Measurements Yearbook) prepared by 660 well-qualified professional reviewers, and extensive references on specific tests, including those selected by Buros Institute staff and those selected by reviewers. The tests are listed in alphabetical order for easy reference. The volume also features a state-of-the-art essay on "Mental Measurement: Some Emerging Trends" by Dr. Anne Anastasi, a leading figure in the field of measurement. Indexes to the volume are: an Index of Titles with cross references and identification of new and revised tests, an Index of Acronyms, a Classified Subject Index, a Publisher's Directory and Index which includes publisher names and addresses and test listings by publisher, and Index of Names, and an innovative Score Index which refers readers to tests featuring particular kinds of scores that are of interest to them. Widely regarded as the bible of testing, the Mental Measurements Yearbook is an indispensable reference work. The Ninth Mental Measurements Yearbook continues and extends this proud tradition of excellence in providing service to test users.
