Disney Who's Who (Reference) Disney Book Group 2020-07-14 With more than 500 characters, from Ariel to Elsa and Peter Pan to Pinocchio, this is the perfect guidebook to all things Disney!

If Disney Ran Your Hospital Fred Lee 2004 Using examples from his work with Disney and as a senior-level hospital executive, author Fred Lee challenges the assumptions that have defined customer service in healthcare. In this unique book, he focuses on the differences between Disney and hospitals--both provide an "experience," not just a service. It shows how hospitals can emulate the strategies of Disney: the trust and loyalty of their guests and employees. The book explains why standard service excellence initiatives in hospitals have not led to high patient satisfaction and loyalty, and it provides 9 key principles that will help hospitals gain the competitive edge. It comes from being seen as "the best" by their own employees, consumers, and community.

You Deserve Each Other Sarah Hogle 2020-04-07 'This book is the perfect dose of sweet, hilarious joy. It's masterful comedy plus tenderness, unique voice plus rich characters. Nicholas! Swoon! We are in love' bestselling author Christina Lauren \_\_\_\_\_ Naomi and Nicholas: the Perfect Couple. Their glorious, lavish wedding is coming up in three short months . . . and they are unfortunately miserably sick of each other. Unfortunately, whoever backs out first will end up bearing the brunt of the wedding bill. When they find out that Nicholas has been feigning contentment too, the two of them go head-to-head in a battle of sabotage, pranks, and warfare to see who can annoy the other into surrendering first. Now that they have nothing to lose, they're finally being the fan they're having so much fun getting on each other's nerves that it starts to feel like something else entirely... Perfect for fans of Hoang's The Love Quotient and Sally Thorne's The Hating Game, YOU DESERVE EACH OTHER is laugh-out-loud funny, painfully relatable, and bitingly smart. \_\_\_\_\_ Praise for You Deserve Each Other: 'Sarah Hogle is a master of comedic dialogue and sexual tension' Kristin Rockaway 'Anyone who has ever been in a relationship will recognize a part of themselves in this book' Adam Adams 'An honest depiction of how dishonesty in a relationship can be its undoing. You Deserve Each Other is a sharp and witty how relationships take work to succeed, and how being true to yourself and each other is at the very core of a romantic connection.'

Samantha Young 'You Deserve Each Other is one of my favorite books of the year' Jennifer L. Armentrout 'Laugh-out-loud fun story with incredible heart. I absolutely loved You Deserve Each Other' Katie McGarry 'A snarky heroine, wickedly funny banter of quirky characters make this a laugh-out-loud read' Maisey Yates, New York Times bestselling author of Secrets from a Ha '[A] hilarious debut romance...[that] rewards readers with laugh-out-loud moments and a satisfyingly sweet and redeeming e Booklist

Lost in a Good Game Pete Etchells 2019-04-04 'Etchells writes eloquently ... A heartfelt defence of a demonised pastime' The Times 'In an age, a piece of culture comes along that feels like it was specifically created for you, the beats and words and ideas are all it is your life the creator is describing. Lost In A Good Game is exactly that. It will touch your heart and mind. And even if Borderlands or Q-Bert weren't crucial parts of your youth, this is a flawless victory for everyone' Adam Rutherford When Pete Etchells's father died from motor neurone disease. In order to cope, he immersed himself in a virtual world - first as an escape, but later to understand what had happened. Etchells is now a researcher into the psychological effects of video games, and was co-author of a paper explaining why WHO plans to classify 'game addiction' as a danger to public health are based on bad science and (he thought) a bad idea. In this, his first book, he journeys through the history and development of video games - from Turing's chess machine to multiplayer online games like World of Warcraft - via scientific study, to investigate the highs and lows of playing and get to grips with our relationship with games - why we do it, and what they really mean to us. At the same time, Lost in a Good Game is a ve

memoir of a writer coming to terms with his grief via virtual worlds, as he tries to work out what area of popular culture w games (a relatively new technology) under.
