With the threat of war looming, her only hope of saving the Trylle is to master her magical powers—and marry an equally powerful royal. But that means walking away from Finn, her handsome bodyguard who's strictly off limits...and Loki, a Vittra prince with whom she shares a growing attraction. Torn between her heart and her people, between love and duty, Wendy must decide her fate. If she makes the wrong choice, she could lose everything, and everybody, she's ever wanted...in both worlds. As a special gift to readers, this book contains a new, never-before-published bonus story, "One Day, Three Ways," set in the magical world of the Trylle.

She enlists the help of Pan Soriano, who is both handsome and resourceful - a half-human with telekinesis powers. And she must also contend with Eliana, a mysterious girl who claims she's being pursued. Though Ulla suspects there's rather more to the story. Ulla and Pan work to unravel the truth about themselves and Eliana. But in the process, they realize that someone - or something - is determined to stop them. And they face a force that will do anything to keep certain secrets. *The Lost City* by Amanda Hocking is the terrific first book in the *Omte Origins* trilogy.
