Stories of the Prophets Isma'il ibn 'Umar Ibn Kathir 2003

The Ideal Muslim Muhammad Al-Hashimi 2018-05-10 The true Islamic personality as defined by the Qur'an and Sunnah presents a comprehensive overview of the way in which the Prophet (peace and blessings of Allah be upon him) and his Companions lived. This picture of the practical aspects of a truly Islamic lifestyle serves as a timely reminder for all of us. At a time when unIslamic and anti-Islamic influences are spreading, via modern technology, to the heartlands of Islam and even to the remotest regions, a Muslim needs to hold firm to the distinct character of our faith, as prescribed by Allah and revealed through His Prophet (peace and blessings of Allah be upon him). Dr. Muhammad 'Ali alHashimi presents a wellthought-out guide to the Islamic lifestyle. He starts with the Muslim's relationship with his Lord, which is the most important aspect of his life, and provides the foundation for all his other relationships. From there, he outlines how the Muslim should relate to every person in his life, starting with himself and his family, and moving on, by stages, to encompass every member of the community or society. Each point is supported by extensive quotations from the Qur'an and the Sunnah of Prophet Muhammad (peace and blessings of Allah be upon him).

Women in Islam Abdur Raheem Kidwai 2020-08-01 Women in Islam is an attractive book of simple compilation of quotations from the Qur'an and Hadith collections that refer to or address women specifically. It engages the reader in a moment of reflection on the Islamic view of womanhood: her existence as a creation of Allah, her role as a positive stakeholder in building a God-conscious society and her capacity for attaining proximity with Allah.

Hearts Turn Michael Sugich 2019-01-29 'Hearts Turn' is a singular and gripping exploration of the act of 'tawba', a Qur'anic term commonly translated as repentance. In English, repentance is a forbidding word that suggests a puritanical finality. But in Arabic the term 'tawba' is dynamic, meaning to 'turn' or 'return'. 'At-Tawwab' is one of the Names of God, the Oft-Returning or Ever-Relenting. It is an active constant, an ongoing, compassionate reality that renews every moment we are alive. The process of purification is a process of continuous turning. In 'Hearts Turn' Michael Sugich, author of 'Signs on the Horizons', tells stories that are harrowing and hilarious, heartrending and bizarre, profane and transcendent, and altogether full of hope, showing how men and women from many parts of the world and many walks of life have turned themselves around and taken a fork in the road toward a higher reality. "This book is a declaration of mercy and certainty. Formed of a collection of stories I've experienced, read or heard, about how malleable the human heart can be and how wrongdoing, remorse, need, and yearning intersect with Divine Compassion, Forgiveness and Guidance. It is also about the sudden transitions from confusion to clarity, from sin to virtue, from sleep to wakefulness, from ignorance to knowledge, from foolishness to wisdom. And finally it is about the path of our lives, which leads us gradually, and for those who God favors, inexorably to salvation." From the introduction to 'Hearts Turn' "Magnificent!...Interlacing ancient and modern experiences of the unexpected presence of God, this unique anthology of conversion stories reminds us of the ongoing spiritual power of Islamic faith." Dr. Timothy Winter (Shaykh Abdal Hakim Murad) Dean of Cambridge Muslim College "Michael Sugich is a master storyteller as he demonstrated in 'Signs on the Horizons'. 'Hearts Turn' is a brilliantly written reminder that God's Mercy is always open to each of us, no matter our position in life. This book has the power to leave the reader wanting to turn to God and to His Mercy. I loved this book." Sami Yusuf Singer, Composer, Humanitarian "A really heartwarming book...for a generation of young Muslims and converts who face inner doubts and in need of a few smart lessons from Michael's journeybook, told through many voices and his own unique spiritual history. It is a relief to know I am not alone." Yusuf Islam (Cat Stevens)

The Ideal Muslimah Ibn Kathir 2018-02-15 The Ideal Muslimah This an incredibly sane book, which can help a woman (who is truly female), keep her head on straight and not get lost in a very dangerous game where she only stands to lose. Satan will try to convince women that they have the right to challenge the boundaries of their existence. This book more than anything can help a woman become a decent, loving, compassionate and honest person, which is a huge challenge for most people. This is an excellent book to not only have as a reference book, but to read many times. The book covers everything from the relationship to Allah (God), hospitality to Marriage and family.

Commanders Of Muslim Army Mahmood Ahmad Ghdanfar 2001-01 There was a time when Muslim warriors were the symbol of terror for the enemies of Islam and humanity; though they were also considered as the protectors of righteous, surrenders and aged. Even the women and children of enemies use to feel safe under their canons. This is why Islam spread rapidly on the earth because these leaders were trained by the Prophet Muhammad (Peace and Blessings of Allah be upon him). This book will tell you about the life stories, moderation, significance, valour, eloquence, faith, steadfastness, sense of justice and winning strategies of more than twenty five (25) brave commanders of Muslims. Who fought for Islam with less soldiers and arms but their strategies made them able to raise their flags against their huge enemies even ten (10) times greater in number than them. These commanders includes: 1) Khalid Bin Waleed 2) Abdur Rahman Bin Auf 3) Zaid Bin Harithah 4) Asim Bin Thabit 5) Sa'd Bin Abi Waqas and many other... Mahmood Ahmad Ghdanfar the writer of the book has quoted the incidents, Ahadiths and strategies in a thrilling way that motivates the Muslims. As one of them is here for your reference: Once during the training when the Prophet (Peace and Blessings of Allah be upon him) asked about the strategy to adopt in the battle, one of his Companion, 'Asim bin Thabit (May Allah be pleased with him) had stood up with his bow in his hand and replied: "When the enemy is a hundred yards away, we will use our bows and arrows; when the enemy comes closer, we will fight with our spears; when the spears break, we will have a hand to hand combat with our swords." When the Prophet (Peace and Blessings of Allah be upon him) heard this, he said: "Doubtless this was the way to fight a battle. Whoever wishes to take part in a battle should adopt the strategy of 'Asim bin Thabit."

Fortress Of Muslim Sa'id Bin Wahf Al-Qahntani 2000 This book is an abridgment of my earlier work entitled, Adh-Dhikr wad-Du'a wal-'Ijāz bir-Ruqyah mina'-Kitab was-Sunnah. In order to make it small and easily portable, I have chosen only the section on words of remembrance for this abridgment. To achieve this, I only mentioned the text of the words of remembrance instead of the entire Hadith. I also limited myself to mentioning only one or two references from the original book for each Hadith. Whoever would like to know about the Companion who related a particular Hadith, or more information about where it is recorded, should refer to the original work (mentioned above). I ask Allah the Glorious, the Mighty, by His beautiful Names and by His sublime Attributes to accept this as having been done sincerely for His sake alone. I ask Him to bring me its benefits during my lifetime and after my death. May those who read it, those who print it, or have had any role in distributing it, benefit from it also. Surely He, glory be unto Him, is Capable of all things. May the peace and blessings of Allah be upon our Prophet, Muhammad, and upon his family and Companions and whoever follows them in piety until the Day of Judgment. Said bin Ali bin Wahaf Al-Qahntani, Safar,1409

A Treatise on Hijab SHAIKH MUHAMMAD BIN SALIH AL-UTHAIMEEN No one denies that the modesty which is commanded by Islamic Law and by convention includes the decency and decorousness demanded of a woman, and the kind of behavior that will ensure that she is kept far away from situations of temptation and suspicion. Further more, there is no doubt that the greatest act of modesty that she can perform is to wear the hijab, which covers her face. It is the best thing with which she can adorn herself, because it protects her and keeps her far removed from temptation.

Muhammad Jibālī 2005 Marriage holds a position of perpetual significance because of the central role it plays in human life. It is not surprising, therefore, that the scholars of Islam have discussed it extensively through the ages. Under the contemporary influence of non-Islamic cultures, however, misconceptions have crept into various areas of Islam - spilling into marriage, divorce, and other family-related matters. Viewing the needs of the Muslims who live in non-Islamic environments, and realizing that most Islamic writings on marriage are restricted in scope, we find quite a large gap that needs to be filled for the benefit of the English-speaking Muslims - which is what we attempt to accomplish over the span of this 4-book set that covers various aspects of marriage according to the authentic Sunnah. This book covers the obligations of the two spouses, the wife's rights, and the husband's rights. It contains biographies of the Mothers of the Believers, paints very realistic pictures from the life of the Prophet Mohammed with his wives and the interpretation of the hadith of Umm Zar.

Heaven Sent Norhafsa Hamid 2017

Aisha Resit Haylamaz 2013-03-01 This book portrays one of the most significant personalities in the history of Islam. Taking the misunderstandings and defamation about her into consideration, Aisha needs to be understood correctly. The book clarifies her critical role at establishing the Islamic teaching, with particular reference to her role in the transmission of private matters concerning women and marital relations, as well as recording the authentic sayings of the Prophet. As her sensitivity at practicing religion is related in a rich variety of examples, much disputed issues like her marriage age and her stance about Ali ibn Abi Talib are covered as separate topics.

The Bible, the Qur'an and Science M. Bucaille 2017-10-24 In his objective study of the texts, Maurice Bucaille clears away many preconceived ideas about the Old Testament, the Gospels and the Qur'an. He tries, in this collection of Writings, to separate what belongs to Revelation from what is the product of error or human interpretation. His study sheds new light on the Holy Scriptures. At the end of a gripping account, he places the Believer before a point of cardinal importance: the continuity of a Revelation emanating from the same God, with modes of expression that differ in the course of time. It leads us to meditate upon those factors which, in our day, should spiritually unite rather than divide- Jews, Christians and Muslims.
