Acquainted With the Night Lesli Richardson 2020-12-09 I hated the military...and now I'm an alien's pet! I hated the Terran military. I didn't volunteer, either. Like so many others, I was drafted as cannon fodder in the senseless Terran war against the Algonquans. Not like I had much of a future ahead of me, though, without a rich family to pave my way or even pay for me to have a wife. Now, my entire ship's been captured. If what we've been told about the alien race is true, I'll never be seen again. I hope they don't eat me. Turns out the truth is far different than we were led to believe. The Algonquans aren't vicious, insectoid monsters, either. We're now their pampered pets...and they're using us to help replenish their population to win the war. You know, maybe this isn't the worst life after all. This standalone MMMM, sci-fi romance features humans as aliens' pets (and more), m-preg, a touch of power exchange, and...interesting alien tech. OUTSTANDING READ: A+/5: "Menagerie by Lara Santiago is unlike any book I have ever read. Erotic and original, this sci-fi

story grabs you from the first page and keeps you thoroughly involved until the last word. Ms. Santiago has come up with an alien story unlike any other and her imaginative style, world building and strong heroines, who always have a touch of humor, never cease to entertain. Ms. Santiago weaves a story so steamy you'll need to sit on a block of ice to keep from overheating! Each of these men is more alpha and sexy than the next. The heroine is strong, funny and would make a great best friend. I really loved this book and it has earned a spot on my keeper shelf. Trust me you definitely need to pick up a copy of Menagerie. But remember I did warn you that it is so sizzling you'll feel like you're sitting in a sauna." --Lynda, Simply Romance Reviews \*\* 5 Flags: "WOW! Fantastic! Titillating, sexy, and OMG it's unfair that one woman can be catered to by so many men. Well, Lara, without being told, you've added another one to my keeper shelf. I could not put it down until I finished it. The lack of sleep was worth it! Can't wait for the next one." --Melisa, Euro-Reviews \*\* 5 Cherries: "Oh My Goodness! I LOVED this book! I've come to expect quite a bit from Siren Publishing and their authors since we started reviewing their books...and I have to say that Lara Santiago doesn't disappoint. I was sucked in from the beginning and was loathe to put this book down. even to feed myself! I thoroughly enjoyed this book from beginning to end, and was intrigued by how Lara Santiago brought about the happy ending that made me smile, and will no doubt do the same for you. Menagerie is a gripping, unique offering of the Sci-fi/Fantasy variety that will leave you hoping for more from this amazing voice in erotic romance." --Viscaria, Whipped Cream \*\* "This book has multiple partners, some bondage, and explicit sex. It is very well written and I enjoyed every minute of it. I was rooting for Valerie all the way. Valerie's behavior on the alien ship reminds us of the little troublemaker we all have inside. By the end of this story I was wishing for that happy ending that I felt they deserved. This book was so descriptive, it felt like a movie playing in my head." --Breia Brickey, ParaNormalRomance

Or will he be an usurper who rapes and pillages his way into the forgotten pages of history. Can he temper his dominance with justice and compassion or will power corrupt him completely? Will he see the humanity of "the other" or are they just pawns in his game of domination. Will history recognize him as "The Protector" or despise him as "The Annihilator"?

But despite his efforts to remain stoic, his beautiful little human has soon claimed a place in his heart. When Bron's enemies seek to use his growing love for Phaedra against him, can the battle-hardened soldier find a way to protect both his planet and his pet? Given to the Savage Natasha Knight 2015-09-25 In the aftermath of a plague which brought civilization to its knees and left most of the world ' s female population sterile, breeders—the few women who remain fertile—have become a precious commodity. Breeders live in relative comfort, but upon reaching adulthood they are tasked with bearing one child after another to carry on the species. Frequent medical assessments keep the breeders healthy and harsh punishments keep them in line. As a breeder who has just come of age, Rowan knows she will soon be little more than a slave, but when she dares to resist her fate the penalty is severe. After a shameful, public chastisement and a thorough, humiliating examination to determine her suitability for child-bearing, Rowan is given to a savage from outside the community—a huge brute of a man named Silas—to be bred. Against all expectations, Rowan finds herself drawn to her new captor. Brave, ruggedly handsome, and even kind at times, Silas is everything the men who enslaved her were not. When the time comes for him to breed her, despite the circumstances something deep inside her begs for him to take her long and hard. But while she soon finds herself longing to be his forever, Rowan knows that eventually those who gave her to him will try to take her back. When that day comes will Silas fight to keep her at his side even if it means risking everything he loves? Publisher ' s Note: Given to the Savage is an erotic novel that includes spankings, sexual scenes, extensive medical play, anal play, elements of BDSM, and more. Big Sky Kitty Thomas 2012-10-01 Warning: Big Sky is DARK literary erotica meant for an emotionally mature, adult audience. This work is not romance. Nor is it "50 Shades". Do not expect an HEA. If you are familiar with this author's work and enjoyed Comfort Food, you may also enjoy this title. If you are unfamiliar with this author, you might first want to try some of her tamer/lighter works such as Blood Mate or Mafia Captive to see if her style might be for you. Big Sky is a work of fiction and neither the author nor the publisher condone the behavior of any characters in real life. Description: Veronica Cason lives in a small apartment with no clear view of the sky. It's uncertain which might crush her first: her debt or the buildings squeezed in so tight that they surround her like ominous sentinels. She can't breathe in the city. Her success is a lie, and her debt is coming to collect her--unless someone else gets there first. When a stranger offers her a job at a ranch, it feels like salvation, but it could also mean her death if his motives aren't pure. Which door has the tiger behind it? The claustrophobia of the city or ranch life under an open sky? What Readers are Saying about Big Sky: "Kitty Thomas writes amazing dark erotica, so what, you ask, did I learn about myself from reading her latest book? I learned that I must be getting jaded and I am a sucker for a grieving man." -JillyP "Preface to say that this is dark edgy erotica, not for those looking for pure romance. But if this is your genre, then Big Sky is a must read. Well-crafted story with complex characters. I am hooked on Kitty Thomas!" -K. Victoria Smith "Big Sky was a good dark erotic story by Kitty Thomas and I think one of the darkest ones that she has written. I highly recommend Big Sky to all fans of dark erotica." -AsianCocoa "Kitty writes fictional

stories that are dark erotica, so going into this novel I knew what to expect. While this book definitely has some dark and twisted things happening in it that I don't personally agree with, I couldn't help but justify everything that happened. In a lot of ways, I felt that Luke really was saving Veronica and giving her a do-over. Only Kitty Thomas can take something so morally wrong and make it seem right." -KC Book Girl "If you are a Kitty Thomas fan, this is a must-read. If you've never read Kitty Thomas before, and you think you can handle reading dark erotica, don't start here. Go read Comfort Food, and if you love it, come back and read Big Sky. It's perfect." Amazon Customer "This is one of the strangest erotic novels I have ever read, and trust me, that is really saying something. I don't even know how to describe the book. I guess it's best described as a dark erotic novel, but that just doesn't seem quite enough." - Charles M Smith II "Kitty Thomas had done it again. She's ensnared me in her web of dark and disquieting words. The dark subject matter of BIG SKY rivals that of COMFORT FOOD (a book that still haunts my thoughts years after reading). Let's just say that the antagonist/hero in BIG SKY makes Master from COMFORT FOOD seem like a well-adjusted individual. :-) And, yes, in Kitty's world, the hero and antagonist are usually the same person." -Book of Secrets "The writing was brilliant and I loved how the author went there and I commend her for that. Just some of the scenes were too much and in the end I felt truly sorry for Veronica. I guess her only savior is that beautiful blue sky. Out of a 5 I'm giving this book 3 stars. Prepare yourself this book is not for everyone, but if you do read please go in with an open mind. This book was very good." - Lynne "In the end, I was struck by the sadness of unrequited love of two individuals, which to me was the theme of the story. Not the fetishism or the dark themes, but two very lonely and broken people trying to heal the only way they knew how. Thomas' stories aren't about shock value, they're about broken people. Yes, this one covers entirely new territory, and it's not for everyone, but it has a wonderfully bittersweet ending." - Candice Bundy "Big Sky is a sexual fantasy scenario packaged in realism, written in a way so that if the scenario could indeed be brought to life, how would it then play out in the most realistic fashion? And in my opinion, this is what Kitty Thomas does best. She IS able to merge fantasy with reality in a way that I think few authors of this genre can, and still make it layered and thoughtful with moments of real emotion." -iPollux "I bought and inhaled this book immediately after reading Comfort Food. Wow. Kitty Thomas is a gutsy author, and I love that." - D. Green-Norris More dark literary erotica by Kitty Thomas: Erotic novels: Comfort Food Guilty Pleasures Tender Mercies The Last Girl Mafia Captive Blood Mate Submissive Fairy Tales Erotic novellas: Awakening The King's Pleasure The Auction Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas. As She's Told Anneke Jacob 2008-12-01 Winner of the National Leather Association's 2008 Pauline Reage Novel Award. Erotic bdsm romance. The ideal D/s relationship for Anders and Maia is nothing less than total power exchange: no games, no negotiations, no safewords. When the two stumble onto each other in an on-line chat room, the fire of their offbeat sexual desires ignites and draws them together for an explosive sexual encounter. For Maia, Anders offers the kind of firm and unyielding dominant she has only dreamed of. For Anders, his new sub is as deliciously erotic as she is submissive to his will. During the first weeks of their relationship, Anders lays down rules for his new possession, while Maia gradually hands over her autonomy, slipping into the obedience that is basic to her nature. Anders explores, manipulates and experiments on both mind and body, all of which she laps up in a continuous state of terror and joy. This beautifully written story depicts a master/slave relationship that is extreme, loving, creative, steeped in imagination, but embedded in the real world. In this passionate, private sexual reality, the balance of power tips only one way.
