London In The Nineteenth Century Jerry White 2011-06-08 Jerry White's London in the Nineteenth Century is the richest and most absorbing account of the city's greatest century by its leading expert. London in the nineteenth century was the greatest city mankind had ever seen. Its growth was stupendous. Its wealth was dazzling. Its horrors shocked the world. This was the London of Blake, Thackeray and Mayhew, of Nash, Faraday and Disraeli. Most of all it was the London of Dickens. As William Blake put it, London was 'a Human awful wonder of God'. In Jerry White's dazzling history we witness the city's unparalleled metamorphosis over the course of the century through the daily lives of its inhabitants. We see how Londoners worked, played, and adapted to the demands of the metropolis during this century of dizzying change. The result is a panorama teeming with life.

Cambridge Latin Anthology Cambridge School Classics Project 2001-07-02 A classic anthology for GCSE. The eight thematic sections of poetry include works by Catullus, Horace, Lucretius, Martial, Ovid, Petronius, Seneca and Virgil. The eight sections of adapted prose include sections from Apuleius, Caesar, Cicero, Pliny, Sallust, Tacitus, and the Acts of the Apostles in the Vulgate. Glosses and other explanations are provided opposite each of the texts, and the writing is illustrated throughout by paintings and photographs of artifacts in the Roman world. For the student, there is a complete vocabulary at the end of the book. For the teacher, there is an accompanying handbook giving additional suggestions for discussions in the classroom.

My Revision Notes: OCR Information & Communication Technology GCSE Steve Cushing 2012-05-18 My Revision Notes: OCR Information & Communication Technology GCSE has been written by experienced teachers and examiners so that you can be confident that it covers only the facts and ideas you will be expected to recall and use in the exam. Essential facts are carefully organised to make revising easier. Exams tips show you how to avoid losing marks and get the best grade. Grammaire anglaise Florent Gusdorf 2003

OCR Ancient History GCSE Component 1 Lucy Nicholas 2017-07-13 This textbook is endorsed by OCR and supports the specification for GCSE Ancient History (first teaching September 2017). It covers the whole of Component 1, both the compulsory Period Study and the three optional Depth Studies: Period Study: The Persian Empire, 559-465 BC by James Renshaw Depth Study: From Tyranny to Democracy, 546-483 BC by Sam Baddeley Depth Study: Athens in the Age of Pericles, 462-429 BC by Paul Fowler and James Renshaw Depth Study: Alexander the Great, 356-323 BC by Lucy Nicholas Was propaganda Persia's greatest weapon? How did Athens create democracy? Does Pericles' Athens deserve to be remembered as civilised or barbaric? How did Alexander dominate the ancient world by the age of 32? This book raises these and other key questions. GCSE students and their teachers will explore key political and social developments of the Greek and Persian worlds through the eyes of ancient historians and archaeology. This book invites us to look at ancient societies in a new light and helps explain the development of the modern world. The ideal preparation for the final examinations, all content is presented by experts and experienced teachers in a clear and accessible narrative. Ancient literary and visual sources are described and analysed, with supporting images. Helpful student features include study questions, further reading, and boxes focusing in on key people, events and terms. Practice questions and exam guidance prepare students for assessment. A Companion Website is available at www.bloomsbury.com/anc-hist-gcse.

Greek Beyond GCSE John Taylor 2017-09-07 Greek Beyond GCSE covers all the linguistic requirements for the OCR AS and A Level in Classical Greek. It aims to bring students to a point where they can tackle original Greek texts with confidence. Although designed as a continuation of Greek to GCSE, it is self-contained and can be used independently. This second edition is brought in line with the current OCR specifications. The first part of the book introduces new constructions accompanied by exercises including the translation of sentences from English to Greek and reading passages (which in the opening chapters are lightly adapted). The next sections provide translation and comprehension passages at both AS and A Level standard, including verse unseens, scansion, and a list of 300 common poetic words (new to this edition). Next come longer unadapted extracts from a range of authors. Finally there is a reference section including a summary of all constructions, a comprehensive grammar, various appendices and a vocabulary of about 1,200 Greek words.

The Stuart Age Barry Coward 1994 A major undertaking in its own right, this Second Edition of *The Stuart Age* (revised throughout, and reset in a more generous format) is fully worthy of the immensely successful First Edition. It provides clear and accessible interpretations of the many changes that took place in these crowded years -- still the centre of the most lively and intellectually exciting debates of any period of British history -- but its aim is not to persuade readers to accept these interpretations uncritically, but to help them take part in the ongoing debate themselves.

Information Systems for You - Skillbuilder Office XP Edition Stephen Doyle 2003 This text is a workbook for all students studying GCSE Information Technology and ICT. Covering all the practical elements of the GCSE full and short courses in Information Technology and Information Systems, the book underpins the development of IT skills and enables students to work independently and to explore IT

software for themselves. Written for Microsoft Office XP, and suitable for use with earlier Microsoft packages, Skillbuilder is a highly interactive and informative text that all users should find accessible.

GCSE Latin Anthology for OCR Teacher's Handbook Peter McDonald 2009-07-09 Handbook to accompany the students' anthology of prose and verse extracts with questions, glossaries and end vocabulary to provide motivation and well-supported resource for the Prose and Literature OCR examinations.

The Rise of Rome Plutarch 2017-07-25 The biographies collected in this volume bring together Plutarch's Lives of those great men who established the city of Rome and consolidated its supremacy, and his Comparisons with their notable Greek counterparts. Here he pairs Romulus, mythical founder of Rome, with Theseus, who brought Athens to power, and compares the admirable Numa and Lycurgus for bringing order to their communities, while Titus Flamininus and Philopoemen are portrayed as champions of freedom. As well as providing an illuminating picture of the first century AD, Plutarch depicts complex and nuanced heroes who display the essential virtues of Greek civilization - courage, patriotism, justice, intelligence and reason - that contributed to the rise of Rome. These new and revised translations by W. Jeffrey Tatum and Ian Scott-Kilvert capture Plutarch's elegant prose and narrative flair. This edition also includes a general introduction, individual introductions to each of the Lives and Comparisons, further reading and notes. The Rise of Rome is the penultimate title in Penguin Classics' complete revised Plutarch in six volumes. Other titles include Rome In Crisis, On Sparta, Fall of the Roman Republic, The Age of Alexander and The Rise and Fall of Athens (forthcoming 2014).

Ten D. H. Lawrence Short Stories D. H. Lawrence 1999-01-01 This volume is part of the New Longman Literature series of modern and classic novels, short stories and plays. Each book in the series provides the complete, original text; a section by or about the writer; and a study programme and guidance on keeping a reading log.

Surrender the Heart M. L. Tyndall 2010 On the brink of the war of 1812, Marianne Denton must marry to unlock her inheritance. Without the money, her mother can't receive medical care and her sister will be destitute. But Noah Brenin needs to sail his cargo to England before the war commences in order to prove his worth to his father and make enough money so he won't have to marry at all. When Noah walks out on their engagement party, Marianne chases him down and ends up on his merchantman out at sea. The situation is impressed into the British navy. While a young lad's prophecy of destiny looms over them both, Marianne and Noah are forced to face their darkest fears as they desperately try to escape and fulfill their destinies - destinies that could change the course of the war and history forever--

Geology and Environment In Britain and Ireland Nigel Woodcock 2017-07-03 A complete introductory text on an increasingly popular subject, "Geology and Environment in Britain and Ireland" aims to provide suitably broad coverage for students requiring a treatment clearly focused on familiar examples but retaining a global perspective. The book summarizes for Earth and environmental scientists the ways in which geology re

Thinking of Happiness Michael Laskey 1991 A University of Sussex Ralph Lewis Award-winner and Poetry Book Society recommendation, this includes a comic Curse on the Editors of Poetry Review, a number of sharp and tender domestic poems and several poems about fishermen and fishing.

Implications of Literature TextWord Press, Inc 1999-11-01 Enjoyable World Literature anthology designed to stimulate literary, critical thinking, comprehension, and language-arts skills using a variety of literary genres, including short stories, poetry, biography, essays, speeches, drama, a novel, and Handbooks that reinforce writing and language-arts skills.

Menander: The Bad Tempered Man Menander (of Athens.) 1995 Though in later antiquity the social comedies of Menander ranked second in popularity only to Homer, his plays were for centuries thought to be irretrievably lost. Only in this century have instances begun to re-emerge from the sands of Egypt, and

it was not until 1958 that a complete play, *Dyskolos* or *The Bad-Tempered Man*, came to light. With this we can now gauge in full the skill that Menander brought to his works, even in the early phase of his career. In preparing this edition, the author aims to make accessible to readers some of the consummate sophistication in dramatic technique and use of language that once produced the question, "Menander and Life, which of you imitated the other?" Greek text with facing translation, commentary and notes.

100+ management models Fons Trompenaars 2014-09-15 *100+ Management Models* is an essential resource for managers at all levels. Pomodoro Technique Illustrated Staffan Noteberg 2009-12-28 Printed in full color. Do you ever look at the clock and wonder where the day went? You spent all this time at work and didn't come close to getting everything done. Tomorrow try something new. Use the Pomodoro Technique to work in focused sprints throughout the day. In *Pomodoro Technique Illustrated*, Staffan Noteberg shows you how to organize your work to accomplish more in less time. There's no need for expensive software or fancy planners. You can get started with nothing more than a piece of paper, a pencil, and a kitchen timer. You have so much you need to accomplish today. Your list is a mile long and you find yourself getting interrupted every other minute. You'd like to tell everyone to leave you alone, but most of the interruptions are coming from you! You think of a phone call you need to make or a web site you need to check and before you know it you're answering email, checking twitter, and finding a million other things to occupy your time. You need to focus---really focus. The Pomodoro Technique puts you back in charge of your day. You'll apply successful techniques from software engineering to identify what you should be doing today and to help you achieve your goals. Your mind won't wander when it is fully engaged in short bursts of focused activity. Learn to work less and accomplish more using nothing more than paper, pencil, and a simple kitchen timer. Set the timer and start on your next Pomodoro. When the bell rings take a break. This personal approach to timeboxing is at the core of the Pomodoro technique and this book is filled with advice on how to get started and how to tailor it to your own needs.
