A story for telling the strength to release the black veil over her life. This young woman is someone who has ever felt like you were trapped in life and couldn't see your way out. This is the introduction of a woman of faith finding her way in the Lord. Along this journey

many lessons. I discovered the meaning of walking by faith and not by sight. As you read through my story, and get a glimpse of my journey, my prayer is that i see the heart of God. That as you go through this journey of my life you see yourself and can also allow God to assist you in areas where your faith is weakened comes through hearing God's Word. The closer I got to God, the more His word gave me new life and the release was taking place in every area of my life. It was that I learned the truth of it all. No matter what you face and have to endure in this life, while on earth be sure to let God lead you every step of the way. Allow you the fruitfulness there of what He has for you. The veil does come off when God enters into your heart. When God enters in there is a release that overcomes away everything holding you bound. May this book give you comfort in trusting God and allowing Him to have all of you. With God is how I learned to stand strong alone through my journey to release the black veil. Once the veil was released I could see the light of it all. With God is where I found love, and where I found Jesus only way to release darkness and turn it into light.
