Donors Are People Too Timothy Smith 2020-04-10 It's very clear: Nonprofit organizations need major donors. In his nearly four decades of helping nonprofit organizations raise funds to accomplish their missions, author, Timothy Smith witnessed a clear pattern. The vast majority of donors giving to organizations participate through "mass media," meaning the mail, the telephone, or the Internet. No charity in the world has enough staff members to sit down with every donor personally and form a personal relationship. But over time, we see certain donors emerge as major players. They give more than the average individual, signaling their higher level of interest in the cause, and signaling their interest in a closer relationship with the nonprofit organization. How should the organization respond to these major donors? Timothy Smith has the answers to this question and many others. He has shown us that a healthy nonprofit organization will invest itself in all of its donors to the full extent of the organization's capacity. With unlimited resources, the organization could treat every donor like a major donor. But with limited resources, the organization must invest in each donor according to the donor's expressed level of interest in the mission of the organization. This is simply good, practical management. In the pages of Donors Are People Too, Timothy offers wise and proven insights into the care and keeping of major donors. He did not spring from the earth fully formed; he has learned a lot "the hard way." One of his best qualities is his willingness to confront his own failures and learn from them, to reveal his experiences and share wisdom through them. His candor is refreshing, and his insights are valuable.

To this day, Isaac McKnight still has no idea why the perfectly-imperfect-woman-for-him put an end to their relationship out of the blue. He made sure they stayed friends though. But now it's a year later and he and Xoe are steadily getting sucked deeper into buddy-zone galaxy, with its dangerous proximity to watch-me-settle-down-with-someone-else abyss. That is...until one drunken confession changes everything. He's the world's greatest ex, and the man she can't risk losing... For Xoe Montenegro, history has taught her that sometimes, it's Prince Charming who does the vanishing. So, as far as tequila-fueled plans for her still-unrecovered love life go, a match-finding formula analyzing the exes responsible for her most epic 'ohs'

seems brilliant. The only problem with her genius man-uation, however, is the one ex she never truly got over. Her best friend Isaac. "Every time I pick up one of Violet's stories, I know I'll be in for a heartfelt, emotional, and FUN read. Her heroes are just so swoony and sweet. And sexy!" -- #1 New York Times Bestselling Author Lauren Blakely THE CACTUS CREEK SERIES Love, Chocolate, and Beer [Luke & Dani] Love, Diamonds, and Spades [Rylan & Quinn] Love, Tussles, and Takedowns [Hudson & Lia] Love, Exes, and Ohs [Isaac & Xoey] All the Cactus Creek novels are standalone novels with feel good HEAs.
