in the minds of American women. It was a strange stirring, a sense of dissatisfaction, a yearning that women suffered in the middle of the twentieth century in the United States. Each suburban wife struggled with it alone. As she made the beds, shopped for groceries, matched slipcover material, ate peanut butter sandwiches with her chil- dren, chauffeured Cub Scouts and ...

Economic Justice for All - Catholic Church in the United States

We seek not to make some political or ideological point but to lift up the human and ethical dimensions of economic life, aspects too often neglected in public discussion. We bring to this task a dual heritage of Catholic social teaching and traditional American values. 8. As Catholics, we are heirs of a long tradition of thought and action on the moral dimensions of economic ...

difference "between males' and females' roles or men's and women's personalities" (Connell 2002:33). Australian sociologist Raewyn Connell explains how in many ways men and boys are gatekeepers for gender equality. Finally, in accordance with postmodern lines of thought, the American philosopher Judith Butler challenges the very binary

SUPREME COURT OF THE UNITED STATES

Guided by the history and tradition that map the essential compo-nents of the Nation's concept of ordered liberty, the Court finds the Fourteenth Amendment clearly does not protect the right to an abor-tion. Until the latter part of the 20t h century, there was no support in American law for a constitutional right to obtain an abortion. No state

by men. Times of political ferment have often inspired low-culture responses in both humor and pornography, from the French Revolution to the English radical moment of the 1820s (see Hunt 1993; McCalman 1988). A comic stereoview featuring a woman's legs, or a wedding gone wrong, might seem cheerfully harmless. But the blunt force shaping Victorian gender behaviors ...
