Lucy Crown Irwin Shaw 2013-04-16 A New York Times bestseller from an author with "a natural gift for storytelling": A mother and son are reunited years after a shattering betrayal (The New York Times). She passes through the Paris restaurant, alone, unbent, and unbroken. Lucy Crown has lived with heartbreak for long enough that it no longer shows on her face, and she's not afraid to dine in solitude. But then she sees him across the bar, full of liquor and life, looking far happier than he did the last time she saw him two decades before: Tony, her son—the one man she loved more than any other, the one she nearly destroyed. Twenty years earlier, in 1937, Lucy was an unhappily married suburban housewife, and Tony was so frail his parents were forced to hire a companion for him. When the companion caught Lucy's eye, he awoke in her a feeling of passion she thought had died long ago—leading to an act of indiscretion during a vacation in Vermont that would upend their family, and take half a lifetime to repair. From the author of such classics as Rich Man, Poor Man and The Young Lions—an O. Henry Award winner who "always writes immensely readable books"—Lucy Crown is an unflinching look at the emotional reality of infidelity, heartbreak, and divorce that remains a testament to the power of forgiveness (The New York Times). This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author's estate.

In the Company of Dolphins Irwin Shaw 2016-08-16 Bestselling author Irwin Shaw's lighthearted travelogue follows his family's vacation sailing from St. Tropez to Venice in the 1960s. As a boy, Irwin Shaw stared out across Brooklyn's Sheepshead Bay and dreamed of owning a boat and sailing the oceans wide. Decades later, he determined that chartering a yacht was better than having no boat at all. With his wife and son, Shaw then set out to mosey about the Mediterranean, guided by a Scottish captain, his wife and daughter, and a Greek cabin boy. From St. Tropez to Naples, and across the Adriatic to Dubrovnik and up to Venice, it was the trip of a lifetime, its only fault being that, eventually, it would have to end. Written in 1964, this travel memoir is a portrait of a bygone age, when the sun-soaked Mediterranean was still emerging from the shadow of World War II and "vacation" truly meant detaching oneself from the world. Featuring cameos by legendary authors such as Françoise Sagan and James Jones, this endearing memoir is the next best thing to a Mediterranean cruise.

The Troubled Air Irwin Shaw 2013-04-16 New York Times Bestseller: A provocative novel about one man's struggle with courage and his conscience at the height of McCarthyism. Clement Archer, head of a popular radio show, faces a profound dilemma: Five of his employees stand accused of being communists, and a magazine threatens disclosure unless Archer fires each and every one. Despite his efforts to meet his own moral standards and avoid self-incrimination, Archer finds himself hounded from both ends of the political spectrum for his seemingly righteous actions. The Troubled Air, Irwin Shaw's second novel, was published immediately before the author moved to Europe, where he lived for the next twenty-five years. The story remains a powerful portrayal of a good, decent man ensnared by the hysteria and cruelty of a dark period in American history. The Story of World War II Henry Steele Commager 2010-05-11 Drawing on previously unpublished eyewitness accounts, prizewinning historian Donald L. Miller has written what critics are calling one of the most powerful accounts of warfare ever published. Here are the horror and heroism of World War II in the words of the men who fought it, the journalists who covered it, and the civilians who were caught in its fury. Miller gives us an up-close, deeply personal view of a war that was more savagely fought -- and whose outcome was in greater doubt -- than readers might imagine. This is the war that Americans at the

home front would have read about had they had access to the previously censored testimony of the soldiers on which Miller builds his gripping narrative. Miller covers the entire war -- on land, at sea, and in the air -- and provides new coverage of the brutal island fighting in the Pacific, the bomber war over Europe, the liberation of the death camps, and the contributions of African Americans and other minorities. He concludes with a suspenseful, never-before-told story of the atomic bombing of Nagasaki, based on interviews with the men who flew the mission that ended the war.

Young Lions Leah Garrett 2015-09-30 "Young Lions: How Jewish Authors Reinvented the American War Novel "shows how Jews, traditionally castigated as weak and cowardly, for the first time became the popular literary representatives of what it meant to be a soldier and what it meant to be an American. Revisiting best-selling works ranging from Norman Mailer's "The Naked and the Dead "to Joseph Heller's "Catch-22," and uncovering a range of unknown archival material, Leah Garrett shows how Jewish writers used the theme of World War II to reshape the American public's ideas about war, the Holocaust, and the role of Jews in postwar life. In contrast to most previous war fiction these new "Jewish" war novels were often ironic, funny, and irreverent and sought to teach the reading public broader lessons about liberalism, masculinity, and pluralism.
